

## ABOUT THE VETERINARY CARE FOUNDATION:

The Veterinary Care Foundation (VCF) is a 501(c)(3) not-for-profit charitable foundation and was created to support local veterinary practices in their humanitarian work. This fund was established in the practice's name under the VCF umbrella. This enables clients and the general public to make tax-deductible gifts through the foundation. 100% of the donations will go directly to support the practice's charitable endeavors in our community.

Thank you for your support.
